**TRACKING CLUB OF VICTORIA INC.**  
**ANNUAL GENERAL MEETING 2019**  
**PRESIDENT'S REPORT**

Hello Everyone,

Tonight, I am pleased to advise that we are celebrating the 268 titles applied for and gained by TCV a member; this is 79 down on the number presented at last year's AGM. Some of this may be because some trials were cancelled this year for various reasons by Club but hopefully these fixtures will be back on line once again in 2020 with some additional trial being held for the first time. Congratulations to all the teams involved.

I have the pleasure welcoming a new Club Life Member and awarding them their badge along with three (3) Club Service Awards this evening, always a very pleasant task.

The Annual Perpetual Trophies have, I am told, received many entries in each category and these will be presented tonight by our Secretary, Anne Smith. ☺

The Committee maintained our lower entry fee for all Club Members at Club Trials and events during 2019 and will do so again in 2020.

The first weekend in April saw the Club running our Test 1 trial at Inverleigh, our sincere thanks to Graeme Harvey and his family for allowing us to use his paddocks for this trial for the first time. Although it was sad to lose the use of Pyalong this year I think the alternate venue worked well.

The week following the Test 1 the Club hosted its annual workshop weekend, held at Inverleigh also. We had a large participation rate from both handlers and instructors. It was a fun filled and informative weekend as always, which is only possible due to the many members involved in instructing and organising back at base, so that more people can experience the joy of tracking with their dog/s, your participation, knowledge and assistance is a great asset to our Club, thank you. Special thanks to Gary Fainges for organising and cooking the infamous spit roast for us all on the Saturday evening, it was terrific as always.

The first of the Club's Open Track & Search Trials was held on the last weekend in April at Ballarat. Lisa Staszek stepped up and took on the role of TSD Trial Secretary, it was a steep learning curve for her but she took it in her stride and did a great job whilst being supported by other Committee Members both prior to and during the trial.

The second and final TCV TSD Trial was held on the last weekend of June using KCC Park as the base for the event. Thanks to Lisa once again for running another great trial.

First weekend in July was the first of the Inverleigh Tracking Trials. This used to be the trial held at Broadford but since this land became unavailable to us, luckily, we were able to extend our permit with Parks Victoria to include this weekend and held the trial at Inverleigh rather than cancelling it. I took on the job of Trial Secretary for this trial as I had for the Test 1 and we had a large entry and thanks to being able to use the Harvey Road paddocks along with the Common we were able to accommodate everyone.

The last weekend in July the Club held the Champion of Champions Event at Inverleigh, Gary Fainges and Jude Lowe, one of our new trainee tracking judges, had the pleasure of judging the event this year. It ran over two days and everyone who attended had a great time. There were many laughs, stories and the like along with some lovely tracking teams out having fun in the bush. The weather was ideal and the company and food were great too.

I was blown away when my Golden Retriever girl Harper, won the event for 2019. To be honest I was stoked when my Declann was awarded the sash for 5<sup>th</sup> place never thinking Harper had won. Thanks to everyone who helped over the weekend you always make it a fun and relaxing time.

August is the second of our Open Tracking Trials at Inverleigh. Huge entry with loads of passes and my thanks to Anne Smith who put up her hand to take over the Trial Secretary duties for this trial, as I was contracted to judge. It was another team effort and we managed to accommodate all the entries.

I'd like to take a moment to thank all the judges who were gracious enough to accept appointments from the Tracking Club of Victoria for either or both Tracking and Track & Search. Without your contributions we don't have any trials for us all to enjoy. Thank you also to the amazing crews who back up our judges, they make it all work for both the judges and the Club. Your continued support and involvement is appreciated by Committee and I know all the members who enjoy attending our trials.

A few more thankyou's before I finish, to our newsletter editor, Leonie Kelleher, for keeping all the members up to date. Also, Leonie together with Kerryn Buckley and I are the administrators for the Club FB page and it was Kerryn who set up our new page which is working so well, so thank you for all your hard work. Kerryn also looks after all the membership applications and renewals, and is doing a great job in that area too.

Thanks also to Michael Buckley who administers the Club website in conjunction with our external provider Hilary Larsen.

Our Club continues to be in a healthy position with in excess of 320 members, this includes 11 life members. Once again, I am pleased to advise that the TCV is still the largest tracking club in Australia.

My thanks to the 2019 Committee for their support and hard work. All but Anne Smith, our Secretary, have nominated once again for 2020. We are sorry to see Anne leave the Committee and thank her for her invaluable assistance over the past few years. Thanks especially for coordinating all the members applications for medallions and trophies each year and ordering and collecting them, huge job.

It is certainly an honour and a privilege to be the President of this Club and to be able to work for and with you all. Your continued support is very much appreciated and I look forward to another enjoyable and successful year in 2020

I wish you all a Merry Christmas and a wonderful 2020.

Cheers

Lynn Klecka

# Tracking Club of Victoria Inc. Tracking Etiquette

Updated September 2019

*When you start off entering a tracking trial, here are few tips.*

- Whether you are entering on line or with a paper entry remember to take the time to fill in your entry form correctly, ensure you enter the test number you are entering and ensure you are eligible for this level.
- Make sure you include your contact phone number and an email address, if posting an entry, and don't have email then you must include a stamped addressed envelope for return of details to you.
- If your test is one that requires you to provide a known tracklayer ensure you include the name of that person and bring them with you, it is not the Club's responsibility to furnish you with a known tracklayer; they have enough to do to supply unknowns.
- Please make sure that you have a minimum of four (4) articles on your person for the drive to the trial, so that if you are asked to lay a track for another competitor you are able to do so as you have your articles correctly scented. Don't remove your articles until you are advised you are no longer required by an official, because sometimes things happen and a replacement tracklayer may be required at any time.
- When arriving at a trial and have a bitch that bitch needs to be vetted when you check in. Take the bitch with you to check in. If your bitch is not used to being vetted then work on teaching it to stand and have this done, just like any other type of training you do with your dog.

The rule book states the vetting may be done by a member of the affiliate conducting the trial. However sometimes Club's allow you to vet your own bitch but this must be done under supervision of the person doing the vetting and wiping the inside of the back leg is not vetting your bitch.

- If you have a track that requires an unknown tracklayer then also take your dog's reward to check in. Using a press seal plastic bag in a suitable size with your name and the test you are undertaking is really the only way to present this to those manning check in.
- Make sure you arrive in plenty of time for check in, early is always better. If you have car problems etc. on the way to the trial ensure you have the Trial Secretary's phone number with you so you can call them immediately. If you are unable to attend, you need to contact the Trial Secretary asap.
- Always make sure you have a doggy poo bag on you when you track so that you can pick up after your dog. Farmers do not want your dog's dropping in their paddocks and neither does Parks Victoria. Remember the farms we are blessed to be able to track on are people's homes, treat it as such. The same with the lovely bush areas we have access to this is only by permit and if we abuse the areas the permit may not be issued in the future.

- **PLEASE BEWARE** - It is not the steward's job to pick up after your dog nor is it their job to carry your dog's dropping to the end of the track for you. Some handlers have small bags over their shoulders where they place the articles when found they also can place the poo bag and carry to the end of the track and then dispose of back at base in the appropriate bins.
- **Unless you are advised otherwise by an official, all dogs must be on lead at all times whilst at the fixture.**
- All judges will brief the competitors that they are scheduled to judge each morning once check in closes. Make sure you stay in the vicinity of check in so you don't miss this briefing. Listen and remember what time you are required to be ready. Make sure you are ready on time, not somewhere else.
- Always check that you have the correct equipment with you for the dog you are tracking.
- Never forget to thank your tracklayer, whether your dog passed or not, as without these wonderful people, you would not have the opportunity to compete.
- If your dog has a treat that involves a container make sure that container is completely sealed so it does not leak on your tracklayer....also remember to take the empty container with you at the end of the track, the rubbish is your responsibility to dispose of correctly, not the steward's or tracklayer, leaving it at the end of the track is unacceptable.
- Please do not overload the tracklayers with a large enclosed container of food for your dog, a small one that will fit into a coat pocket is quite big enough, your dog can have the rest of the meal/treats when you get back to the car. **Also, along with your dog's reward, it is a nice gesture to leave something for your tracklayer e.g. small chocolate bar, as a thank you, this does not mean large boxes of chocolates, drinks etc. etc. This is a lovely gesture but you can give your tracklayer the other gifts later just something small enough to fit into their pocket is required. Remember they have their own bag to carry, poles, maps etc.; they certainly don't need to be weighed down with more goodies initially.**
- If you have entered several trials and gain a pass at one you need to contact all the Trial Secretaries for all the future trials and advise the new level of test you require or if you entered on Show Manager and entries have not closed then you can edit and upgrade yourself. But you must advise all Clubs where you have entered of your progress.
- Remember to read the rule book and be familiar with what is expected of you, this includes the glossary at the front of the book/s not just the description of the test you are doing. You need to advise Trial Secretaries if you have had passes under the same judge, for example if you gain your first 2 passes towards your Tracking Dog Title with the same judge, you cannot have that judge again for the next test. The title must be gained under at least two different judges, once you move into another title you may be judged by your first judge again.
- It is etiquette to stay until presentations have been completed each day even if you did not pass. It is lovely to celebrate your fellow competitor's achievements on the day as we are sure you would like everyone to celebrate yours when they occur.

**Please note:** Track and Search Trials need many more helpers due to the numbers of diversion tracklayers, minglers and extra stewards which are required by the rules. We are hoping not to have to ballot, but we will be forced to if we do not have enough helpers. **We request that every competitor provides at least one helper or volunteers themselves for a day they are not tracking.** These helpers do not need to be experienced, as experienced people will direct them. Please do not nominate helpers on the day they are tracking themselves. **Please note the name of your helper on your entry form. Helpers who are available for two or more days are most useful.**

If an excessive entry is received, a ballot will be held at the home of the Trial Secretary, Thursday 9<sup>th</sup> April 2019 at 8 pm. The committee reserves the right to substitute judges or add to the judging panel should the entry be excessive. "If tracks become available and time permits, a ballot will be held for those who may wish to "Track On" at this trial" **HOWEVER there will be very few track-ons available.**
