President's Report

Hello Everyone,

Well the tracking season is now in full swing with many trials already having been held. Congratulations to all the members and their dogs that are celebrating passes and titles gained in the last month or so.

The TCV has held a Test 1 trial, the Annual Workshop Weekend and a tracking training day, and a TSD test 1 to 5 Trial already this season; there will be reports on these elsewhere in the newsletter but none of these events can be run without the help and assistance of so many members, so thank you all for your time and effort at each and or all of these events.

By the time you read this report the Club will have also held the first of its TSDX Test 6 trials in the Cranbourne area, congratulations to all involved and to those that gained their TSDX Title Later this month the second of the TSD test 1 to 5 trials is being run at Inverleigh I wish everyone success.

Following the General Meeting last week the members present had an informative discussion on Track and Search Stewarding with the emphasises being the duties/responsibilities of the TSD Safety Steward. All this information has been noted and will be typed up and published in the next edition of Track On and loaded onto the website as soon as possible.

Next month sees the Champion of Champions event at Shepparton so don't forget to send your entries and come along for a fun weekend, as well as the Open Tracking Trial at Broadford. A very busy month, so if you are able to assist at either or both of these events please talk to any Committee Member or contact Andrea Sciberras directly who will only be too pleased to find a task that you can assist with.

The Victorian submission for changes to both the Tracking and Track and Search Rules are currently being finalised for submission to the ANKC by the end of June 2012. A meeting will be scheduled by the OTEC to allow both judges and handlers to discuss all the submissions from all states and territories later in 2012, the TCV will advise you as soon as the dates is known so you will hopefully be able to attend.

Good luck and good sniffing to everyone who will be out there tracking over the next couple of months and I look forward to catching up with as many of you as possible at the upcoming trials.

Cheers

Lynn Klecka

SNIP-BITS FROM THE SECRETARY

There is little to report from the TCV secretary this edition. I have had a slow start to the tracking season personally as I have been busy on the show circuit with my Golden Retriever Kaala. I hadn't realized how much I had missed tracking until Lynn, Rob and I attended the Launceston Tracking trial at Conara last weekend. The weather was crisp but sunny (unlike Melbourne which was raining and miserable) and we had a wonderful weekend on an absolutely stunning property. I had great fun running around in an all wheel drive Kileos and we saw some lovely passes. The Launceston crew were welcoming and well organized and we thoroughly enjoyed the workshop, which Lynn organized for the day following the completion of the trial.

It made me ponder on what it is that makes tracking so unique. I believe tracking is a discipline that involves real teamwork not only from the dog and handler, but also by all present – competitors, tracklayers, gophers, stewards, caterers, not forgetting the judges. The camaraderie that can be witnessed as those present share the highs and lows is unique to tracking. The passing on of knowledge at workshops to new competitors and then watching their improvement and successes is a privilege and an honour.

I would encourage anyone interested in becoming more involved in the set up or helping at trials to consider giving some of their time – it is a great way to learn more, improve your own knowledge of the discipline and have a lot of fun along the way.

Champion of Champions 2012 (28-29 July 2012)

Preparations for the 2012 Champion of Champions event are well under way. Hopefully this year the weather will be kinder to us. Please mark this in your diaries as an event not to be missed.

The General Meeting to be held on the 14 June at KCC Park should be informative and interesting as it is to be followed by a talk on the finer points of stewarding and assisting at TSD trials. I understand there are also some interesting rule changes planned for 2014 in tracking so watch this space!

Our paddocks are lush, competitors keen (no pun intended) and dogs enthusiastic!

Hope to see you soon.

'Ask The Expert'

Last year we introduced a column in the newsletter which endeavoured to answer any queries regarding tracking training and trialling that members might wish to address. Please if you have any queries please email me on secretary@trackingclubvic.org.au so that I can have this included in the next newsletter.

Thankyou

I would like to thank Jill Spencer and Roger Corlass for stepping in to take minutes in my absence over the last few committee meetings which I have been unable to attend for various reasons. Thankyou so much both of you.....

Tracking Title Notifications

Don't forget to send on any title achievements to me on the above email or by post with the forms and accompanying verification documents so that you can receive your medallions at the end of the year at Presentation night to be held on November 22nd at KCC Park. I would really appreciate if these could be sent during the year, rather than near to the closing date, which this year is Monday 15th October (a copy of the paperwork is included in this newsletter).

Signing off for now

We had 34 participating in the workshop who by their feedback enjoyed themselves they were certainly a good crowd of people, A big thank you to all our volunteer Instructors who come every year to readily impart their knowledge to any one that will listen, we did have one new Instructor this year and that was Vicki Di & Bob also come up to help, hope you will come next year too. Catering this year was a combined effort which worked really well so thanks for your help I am going to name these people, the breakfast detail was maned by Gary, Robert, Trevor & Roger thank a job well done, and in the kitchen with me were Julie F, Shirley & Di until she hurt her hand we all got on well together, nice working with you thanks a lot. I believe that Robert & Trevor did the spit roast with Gary helping to carve it Thanks also to Sue & Peter M for their presentations of tracklaying and plotting tracks etc, and to Peter M for bringing up the trailer to Moira camp. Thanks again and well done everyone for making the workshop a pleasant weekend.

Thanks to Judy Pillinger our judge and Gary for setting out the tracks on the Friday. The other people that helped over the two days that the trial was run are Julie Short, Julie Fainges, & Jill, Reps Peter Howard & Trevor Pillinger. Both days were great for tracking. Gary had to play father to anew born calf at one stage, and some of the cows decided they liked our part of the paddock so keep escaping from their paddocks Gary did a good job in keeping them away from the dogs on the Sundays once again thank you all without these volunteers we would not be able to run these events. If you can help in any way with our trials it would be very much appreciated just call me on 98771528 thanks.

Congratulations: to everyone that passed at Officer.
