

Track On

Why did I let them drive the car?

I knew I should have driven!

Wish they would put some muscle into it! I haven't got all day!!!

Bogged???

Why is he just sitting there he should be digging!

I'd rather be fishing; maybe there are some worms in here and I can find a creek to do some fishing.

Hello Everyone,

President's Report

What an incredibly busy time July and August has been for everyone involved in tracking. I know many of our members have been involved in most of the trials held during this period and now as we head towards the end of our season for 2012 they are looking forward to putting their feet up and having a well earned rest.

Although I know that after a couple of months of that many are suffering withdrawal symptoms and can't wait for it all to start again.....sound familiar!!

Huge thank you all our members who have assisted at any of the tracking or track and search trials this year, as always the TCV run so many events each year and we just could not do it without you all helping out.

The 2012 Champion of Champions event this year saw a different venue from previous years due to vandalism of the Moria Scout Camp which is located just outside Shepparton and the constant threat of flooding of the Goulburn River. I was able to organise the use the hall facilities at Murgheboluc and Parks Victoria graciously allowed us the use of the Inverleigh Flora and Fauna Park, at very short notice, so a huge thank you them for understanding the situation.

The hall was great with its open fire place and wonderful kitchen facilities etc. everyone who attended had a great time. Thanks to the judges and everyone who assisted on the weekend. Congratulations to Di Cameron and her lovely German Shepherd, Kella on winning the event this year.

Last weekend was the TCV Open Tracking Trial at Inverleigh and what a great trial that was. The weather forecast was not the best leading up to the event but for the three days of judging the weather was absolutely superb, perfect tracking weather and the pass rate showed that.

Congratulations to everyone who did well.

Don't forget to fill in your title applications forms and get them into Sue Keane our Secretary as soon as possible, don't leave it to the last minute it is a huge job getting all the results typed up and to the trophy suppliers.

The application form for your title is printed elsewhere in this edition of Track On as is the Tracking Dog and Track and Search Dog of the Year forms.

Also I know this year the Tracklayer of the Year award is being hotly contested by a few of our members so don't forget to have the judge sign your sheet with the details on it.

All those members with dogs over 7 years of age, our 'veterans' don't forget to enter them in the Old Gold Cup as well.

I look forward to catching up with many of you at the next few trials and if not definitely at the AGM and Presentation Night.

I am sure we all have some wonderful memories from this year's season, some good some not so good.

Unlike years ago when the retelling of the story was all we had now we have the mobile phone camerajust ask the members who vehicles appear on the front page.....great time had by all!!! Well almost all!!!

May the memories continue to flow, until next time, take care.

Cheers

Lynn Klecka

SNIP-BITS FROM THE SECRETARY

I can't believe how quickly the tracking season has flown by. We are almost heading to the last of the trials for the year! I have just had a really fun weekend at the Inverleigh trial where there were lots of passes, including my own dog Caddie (known as the Cadster). The weather was kind and there were plenty of stories to share. Gary Fainges had his first tracking appointment as a judge and, if the smile on his face was anything to go by, he had a wonderful time!! His wife Julie also did her first official 'gig' as a gopher, and I think we have lost a tracklayer now to the dark side.....

Speaking of tracklayers, August/September is the time of year when members start submitting their title applications and entries for Tracklayer of the year award, Tracking dog and TSD dog of the year and Old gold cup to the long suffering secretary for collation and medal allocation. Please do so early as it is very time consuming to format and send off title applications to the engraver for processing!

I need to also advise members that the Tracking Club is having major issues with the website platform.

IF YOU HAVE SENT ANYTHING TO ME VIA THE TCV SECRETARY ADDRESS PLEASE DON'T ASSUME THAT I HAVE RECEIVED IT!! PLEASE re SEND TO MY PRIVATE HOME EMAIL WHICH IS LISTED BELOW or posted to my home address. THIS IS ESPECIALLY IMPORTANT FOR TITLE APPLICATIONS AND CLUB AWARD ENTRIES.

My home address is: **13 FEDERICO COURT, NORTH RINGWOOD 3134**

Personal email is: keanes10@bigpond.com

PLEASE DO NOT USE THE TCV SECRETARY ADDRESS as I may never receive your email!!

This year's Presentation night is being held on Thursday 22nd November at KCC Park, commencing at 8pm. I look forward to seeing as many of you there as possible. Apologies to be sent please to my home email address.

I have also recently met with a lovely lady who is manufacturing reflective collars and leads at very reasonable prices with LED lighting which are waterproof and good quality materials. You will find her details elsewhere in this newsletter. They are well worth a look. She is donating some goods for our raffles and prizes. They are manufactured in China and are good quality. Thanks to Julia Tahourdin for putting me onto her. I am sure you will be interested in her wares!

This weekend I am off to Tassie to assist Trish and Pete and I also want to wish all those involved in the Dogs Vic State trial, (which has been relocated to Inverleigh) the best of luck and may the scent be with you!

Signing off for now
Sue Keane (Secretary)

Tracklayer of the Year 2012

2012 marks the continuation of a new era in Tracklaying....

Following the great success of the compthis year the competitions going to be fierce!

We're going to continue to reward all of our tracklayers who venture out into the wilderness with nothing but a map and a fluffy pole bag to wait in the cold to be found, the stink of Sardines and some celebrations chocolates to keep them company..... This is for you. Can anyone steal the trophy from Di????

You all saw the haul of prizes....they could be yours this year!!

So how does it work?

There's a point score for SUCCESSFULLY laid tracks. This means that the dog tracking you must successfully complete their track and receive a pass. You'll then fill out a pass card for that track and have the judge on the day sign it for you and send them into me.

So how do the points work?

For each successful track you will receive points as follows:

<i>Test 1 (400m):</i>	<i>1 Point</i>
<i>Test 2 and Test 3 (800m) :</i>	<i>2 Points</i>
<i>Test 4 and Test 5: (1000m) :</i>	<i>3 Points</i>
<i>Test 6 (1200m) :</i>	<i>4 Points</i>
<i>Test 7 (1200m) :</i>	<i>5 points</i>
<i>TSD 1 & TSD 2:</i>	<i>6 points</i>
<i>TSD 3 & TSD 4:</i>	<i>7 points</i>
<i>TSD 5 & TSD 6:</i>	<i>8 points</i>

In the event of a tie then the grading the dog received will come into play with 4 points for an excellent, 3 points for a very good, 2 points for a good and 1 point for a pass.

Loving Pets

Collars

Like normal collars and harnesses in the daytime but so cool and special in the night!!

Do your pets like running around excitedly in the dark while it worries you that you cannot see and protect them? Keep your dog tracked when off leash in a park and seen by cars and bikes at night. Protect them from being lost and make them free, happy and safe.

You can even control the speed of the flashing – slow flashing, quick flashing and steady flashing, every collar or harness contains a pair of lithium batteries, all you need to do is to get another pair and easily replace them (each pair can last 72 hours flashing or more, say walking your dog one hour per day then it will last for more than 2 months!) and it keeps your dog cool and safe all the time!

Best quality and both day/night functions. Different styles & colors and all sizes! We all wish our best friends safe and happy, I and my little friend Gino loves it, why don't you choose one for your loved one?

Each collar/harness contains one pair/two pairs of batteries – saving you \$3 :) and YES they are all WATERPROOF.

Flashing light colors are red, blue, green, orange, white and RAINBOW LIGHT, please see the details for each collar.

If you would like to order or are after more information then please contact Sue Keane on email: keanes10@bigpond.com
