Members to the Rescue

Feel good story for the long weekend....

A mini dachshund called Snag went missing 4 DAYS AGO in the suburb I live in.

I asked Marg Thomas and Lucy to help Rebel and I track Snag knowing our chances were slim given the large area covered, no actual start point, lack of recent sightings and the many days the little fellow has been exposed to cold temperatures.

Both Lucy and Rebel dragged us away from the current search area and was adamantly hitting a couple of km's further down the road.

Needless to say, within less than an hour of heading into the right direction our search party found Snag hiding between a pile of discarded machinery.

Safe to say there were tears of happiness all around with this remarkable happy ending. Dogs. Are. Awesome.

Giselle Henning and Marg Thomas

Congratulations
Giselle, Rebel Marg and
Lucy in their search for
Snag.
